COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

The offerings in this sale are probably more varied than in any that I have ever held. A brilliant Proof $4 gold piece. Massachusetts Oak Tree shilling probably the finest known of this rare variety. An exceptionally nice lot of Colonials.

One of the largest collections of Bryan Money pieces some of extreme rarity. A choice lot of United States Fractional Paper Money. Some choice United States Cents. A varied collection of Foreign copper Coins and many items of interest too numerous to mention.

My mailing list contains over 1000 active collectors. There will be distributed over 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application. Send in your bids at once, do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment. You help yourself and also help me by complying to this request.

Be sure to bid on the right lot and be sure to bid on each lot at so much per piece and not for the lot if there is more than one piece in the lot or I will be compelled to refuse all such bids sent. Be sure to sign your name to your order. Do this first. In my last sale I could not execute quite a few orders for this reason. Write down the right number that you intend to bid on and I wish to caution my customers that I will not hold myself accountable for any such errors. Kindly remember that the coins I am selling are the property of others and that I have to make an accounting to them. Please may I ask you again to send your bids in promptly as soon as you receive your catalogue and that your patronage of this sale will be as liberal as heretofore.

WILLIAM HESSLEIN,

101 Tremont St., Boston, Mass.

TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.
